Looking back over 2005 we rejoice to see what the Lord has done and where He has taken us to minister His precious Word, and we give Him all the glory! It's been a busy schedule, but one of blessing and precious fellowship. Whether it has been Ross producing new Radio Programs, preaching, counselling, visiting or Jan speaking, preparing artwork, writing devotionals, or managing Garments For The Gospel we have seen growth and God's blessing.

Garments For The Gospel, (GFTG)

founded in 1996, has had a very active and fruitful year sending many new garments with their precious Gospel garment labels sewn into each item to orphanages in the Ukraine, Russia, Ethiopia, Latvia,

"Solo Gals" which is always a delight and so appreciated. Do continue to pray that we will gain many more sewers, for the task and opportunities are truly great. We have had two large fabric donations over the year and need to use it up as requested. We cannot accept any further fabrics at this time. Our sewers have done shorts, tops, slacks, skirts, dresses, medical bags, baby receiving blankets, knitted all sorts of clothing, hats and scarves, including warm lap covers. We thank you all for your loving efforts to serve in this way.

Feeding His Lambs Radio Programs:

It's exciting to realize that we are celebrating 2 full years of broadcasting God's Good News with Bible Voice Network, via short-wave and

of them are up permanently, each with their own sermon title making it easier to identify which message a listener would like to hear. They are still available 24 hours, day or night.

More recently we were delighted to be added to the Bible Voice Web page as one of their Special Ministries which they feature. They have presented Feeding His Lambs Ministries with all of its branches of caring and outreach along with a direct link to all of our Bible messages. This now gives us the benefit of a Web Page without any expense to us: Indeed, a gift and provision from the Lord. Reports show we are being heard loud and clear as far away as Japan, Russia and remote areas of Africa and Iraq, to name just a few.

If you have INTERNET access, or friends that do, encourage folks to listen in, and pray that many will respond to the Gospel and that believers will be blessed and comforted in the Lord. Ross is in the process of preparing messages and producing new programs for 2006 and they will air as they are completed, starting January 24, 2006 with "Who Is Directing Your Life?" (Prov. 3:5,6)

Until there are those who feel led of the Lord to regularly purchase specific air time to allow our programs to beam into a designated area of the world on a consistent basis, we are used as "fillers," so that our programs are sent into many, many different countries. The only disadvantage is that these listeners are not able to find us again on their dial, and that is a real prayer concern.

Sad News: This past August we were shocked and saddened by the sudden passing of one of our Advisory Board members, Rev. Gary Manzo. Gary pastored Goodwood Baptist Church for about 17 years. We rejoice that Gary is with the Lord

he loved and faithfully served. However, we grieve deeply the loss of a dear friend and colleague who blessed and encouraged us in so many ways. Gary is survived by his wife Dawnna and 3 children: Jennifer, Julia & James. Gary is deeply missed and his family need our prayers. 

Literary Work:

The biggest undertaking and step of faith was the successful publishing of Jan's new book, *The Treasure of His Company*, released January 12, 2005 by Essence Publishers. Truly this has been a life long dream come true for Jan, and an answer to years of praying into being God's Will.

The response to this volume has been one of great encouragement and praise to the Lord. We are hearing of many who are being blessed as they have drawn closer to their Lord, treasuring Him more and more in all of life's walk, experiencing God's Peace in a new way and seeking to serve Him completely

Jan has enjoyed a number of new speaking engagements as a result with the opportunity to present her book and artwork along with God's Word.

Please pray that more churches and new Ladies meetings will extend invitations for Jan to speak as well as present her new book.

We praise the Lord for all those who have purchased their own copy and for those who have given many copies away as gifts or as an outreach ministry.

We are grateful and count you as team members along with all those who faithfully pray for us and financially support this ministry, enabling us to continue to serve the Lord.

Our Thanks to you all 

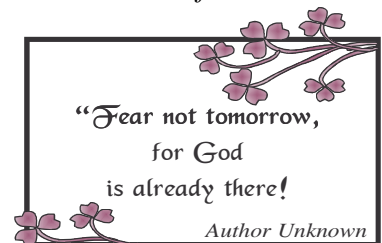

Prayer Requests:

1. For the Lord's anointing as Ross gives forth God's Word and for fresh messages to meet the spiritual needs of His precious Lambs.
2. For God to continue opening doors of His choosing to minister, for both Ross & Jan.
3. That support for purchasing Radio air time will come in and allow programs to air in one place consistently, feeding many hungry souls.
(For Enquiries Call High Adventure/Bible Voice at: 1-800-550-4670)
4. Provide new sewers to use our donated fabric supply, and/or to raise up new "Solo Gals" or "Church Groups" to start their own GFTG projects. (Starter's Kit available)
5. For the Manzo family as they grieve the loss of Gary. For comfort, better rest, guidance, continued support and God's peace.
6. That "The Treasure of His Company" will continue to sell well and be used of God to bless and encourage many in the faith and lead many searching hearts to Salvation in Christ.
7. For increased health, strength and needed energy to serve the Lord in 2006.

Send us a line: We'd love to hear from you too. 

Devotional Moments:

"Let not your heart be troubled,
neither let it be afraid." John 14:27

"Yield To His Grasp"

Clearly, there is no better place
or perfect time to yield
One's entire life and soul—
to overcome sin's battlefield.
Then at last, from your turmoil
you can triumphantly cease,
As you receive complete forgiveness
and eternal peace.
Yes, when you surrender by faith,
Christ's love transforms anew,
In the grasp of His Hands,
which were nailed
to the Cross—for you.
