### CHRISTMAS GREETINGS & New Year's Blessings for 2007

“Behold the Lamb of God which taketh away the sin of the world.” John 1:29

Christmas is a most blessed and joyous time of the year. Admittedly, however, it is easy to get caught up in the frenzy of activities and lose the real blessing of this Wonderful Season. John the Baptist wisely recognized and pointed others to Jesus by saying, “Behold the Lamb of God which taketh away the sin of the world.”

At Christmas we celebrate our Lord’s coming to earth as a baby, but may we never forget that this little child became The Sacrificial Lamb Who paid for our sins at Calvary. As we celebrate Christ’s birth may we also “Behold the Lamb” and like John, may we endeavour to point others to Christ that they may come to know and worship Jesus as their personal Saviour and Lord.

In this way Christmas will remain the special celebration that God intends it to be, and we will experience the real joy and meaning of this most blessed time of the year. Jan and I pray that you will truly experience a precious and joyous Christmas. May God’s love and peace be very real in your life, both now and throughout the coming New Year.

### Advisory Council News:

Recently, Dr. Arthur P. Lee informed us that due to health concerns he has had to resign all boards, including our Advisory Council for FHLM.

Arthur’s loving contribution will be sorely missed in so many areas. Just to read the forward in Jan’s book, which Arthur so kindly penned, gives some insight as to the spiritual depth of this man, and his tremendous words of encouragement. We truly do miss his presence on our Council. We continue to pray for God’s blessing and sustaining grace upon Arthur and his dear wife Heraldine, who has also been struggling physically for some time now.

As a result of this, combined with the great loss of our brother Rev. Gary Manzo last year, the Lord has

given us two godly men to assist in filling the need for new council members: Rev. Rob Elliott, Senior Pastor at Fair Haven’s Community Church near Beaverton, Ontario and Mr. Don McLaughlin, full-time Director of Outreach for High Adventure Gospel Communications Ministries, Newmarket, Ontario, with whom we broadcast over Bible Voice Network and who worked alongside of Ross for many years on the Toronto Police Force.

Both of these men have proven themselves throughout the years to be the kind of individuals who are well respected in the Christian Community and will definitely be an asset and a blessing to this ministry. Thank you to those who were praying for this great need. God has graciously answered. ☺

### Garments For The Gospel, (GFTG)

**Sad News:** We were saddened and shocked to learn that we have lost another friend, dear sister in the Lord and co-worker for GFTG.

**Annunziello, Faith Isabel (Church)**  
“Gone to be with her Lord whom she longed to see, July 18, 2006 in her 82nd year.”

Isabel was an enthusiastic sewer. One of her special joys was to sew for GFTG, especially pretty little dresses, always tucking tiny dolls or toys into the pockets as a loving surprise for the children who would receive them. We will greatly miss this dear sister who loved her Lord and His work.

### Retiring Solo Gal for GFTG: September, 2006

We were also sorry to learn that we would be losing **Margaret Walper**, a faithful and energetic worker. Margaret is having to cut back her many avenues of service, including her amazing work with GFTG.

As a Solo Gal here in Orillia, she sent hundreds upon hundreds of garments, each with their Gospel labels, and blessed children locally and around the world giving them comfort, hope and Christ’s message of redeeming Love.

We will greatly miss Margaret’s help and unflagging encouragement to this ministry. We thank the Lord for all her love and support over these many years of service. May the Lord bless her as she serves Him in the days ahead. We can’t thank Margaret enough!

### Devotional Moments:

Quoted in Jan's Book on Pg. 154

### Update on Jan's Book:

### A Recent Bible Voice Network World Report

It is reported that persecution is rising in parts of India, but three years ago, Bible Voice chose to stand with a dynamic Asian, a fellow broadcaster, who had built a listening audience of 900 "radio fellowships" (40-200 people in each one). Bible Voice doubled his airtime, put him on a more powerful transmitter, and prayed with him that many might find Christ. Since that time, there has been a spiritual explosion in the heavens over India. Two weeks ago, we discovered his weekly listening fellowships have grown to 4,200! This staggering growth reveals an unprecedented move of God in India through radio. Please keep praying for our radio broadcasts as well, that many will be reached for the Lord ☺

### New Rose Painting Series:

"Butterfly Days of Summer"

A Winchester Cathedral Austin Hybrid Tea Rose with a passing Blue Adonis Butterfly (24" x 27" Framed) is number 3 in the rose series to date.

As some of you may know Jan's health has not been as good on and off since last

Christmas, especially with her kidney this past Spring. Though she was unable to keep up her normal routine for many weeks she was able to catch up in her need to produce new paintings for her ministry engagements. So blessing has come out of weakness and we give God all the glory.

Jan has slowly improved and is able to continue fulfilling her speaking engagements for which we praise the Lord. We appreciate your continued prayers in this regard as her health can change at any time.

Jan has successfully completed a series of 3 new Heritage Hybrid Tea Roses, each with their own special Bible verses inscribed in the mat. The 2nd rose in the inset box (pg. 1) is called "Julia's Rose," and the first, "The Rose of The Morning" was featured in our last prayer letter. We trust Jan's art will glorify God and encourage hearts as they are purchased and placed in many homes. ☺

Send us a line: We'd love to hear from you too.

### Prayer Requests:

1. For Ross's need for new preaching opportunities to open up now that Simcoside has hired a "full-time worker" which will naturally reduce invitations to this church in the days ahead.

2. For increased support to meet the rising costs of living, house repairs, unexpected car maintenance for our 18 yr old car & new medical expenses. Previously Ross's blood pressure meds were supplied by our Dr's Pharmacy Co, but recently they stopped supplying patients. Please pray God will intervene since Ross requires this, not only to control his blood pressure, but also to prevent further deterioration of his polycystic kidney disease.

3. For GFTG and the work of sewing for needy children around the world.

4. Please pray for the Annunziello family in the loss of dear Isabel, mother and grandmother.

5. Continued prayer for our neighbour Larry who is suffering from heart failure and is recovering from surgery. His prognosis is still very serious. He appreciates, however, everyone's prayers on his behalf. Please pray for his physical & spiritual needs.

**Praise Items:** We praise God for further sales of Jan's book and the resulting reports of encouragement (*See lower left col.*), for safe travels in ministry, for the blessing of being able to supply Charitable Receipts now through MSC, and for the loving gift from supporters to use their vacation place this fall for much needed rest, relaxation, and quietness.

We thank you all for your loving support and prayers on our behalf. It means so much to us. ☺
