**Garments For
The Gospel: Update**

Thank you for praying for our sewers as they worked faithfully to send new garments to children in Uganda. They successfully completed many items including shorts, tops, dresses, sleepwear, etc. They were delivered by Bible Voice in July. PTL for answered Prayer!

MERRY CHRISTMAS & HAPPY NEW YEAR!

As we come to the close of another year, we once again have the privilege of celebrating the birth of our Lord Jesus Christ.

Many people around the world will join us in acknowledging the birth of the babe in a manger and some might even agree to call his name Jesus.

However in Matt. 2:2-3 the wise men inquired, "Where is he that is born King of the Jews?...When Herod the king had heard these things, he was troubled, and all Jerusalem with him." In fact because Herod felt Jesus to be a threat to his throne, Herod sought to kill Him.

And still today the fact that Jesus is not merely a babe in a manger, but that He is a King who desires to rule our lives, it is this that causes many people to reject Him.

If we acknowledge that Jesus is Saviour, and yet fail to recognize Him as King, then we are denying His Lordship and His rule in our lives.

The Lord Jesus Christ came to earth not simply to save us from our sins, but to come into our lives and by His power, totally transform us from the inside out.

For those sending in a financial gift in the New Year we would like to send a complimentary copy of Jan's Interview on DVD as our thank you in appreciation for your support.

PLEASE NOTE: IF you send your donation to MSC, **MSC is not responsible for this DVD offer, so please mail a separate note to us DIRECTLY for your DVD.**

Last Minute Instructions

The Main Studio where Moira will interview Jan

Moira & Jan on the Set The broadcast has just ended

"100 Huntley Street live interview now history for author Jan Howlett!"

What an amazing experience to be a part of the International outreach TV program, *100 Huntley Street*, as it celebrated 30 years of broadcasting! A Divine appointment that took 2 years to become a reality, featuring Jan's book, **The Treasure of His Company**, and two of her *Watercolors—Butterfly Days of Summer and Glorious Journey*. Ross & Jan's day started very early in the morning to arrive at the Studio by 7:45 a.m to meet the Producers, staff, Moira, and experience the "transformation" you see on screen that occurs in the "make-up room!" (Ross recalls that he didn't have the heart to tell Jan he almost didn't recognize her behind all the heavy artist paint!) It was a privilege to meet the on-air team as well as Johanna Webster and Norm MacLaren who wisely summarizes the devotional heart of the program each day. Everyone was so helpful and kind and supportive. It was a blessing to walk the hall of 'fame' and see how many high profile people are serving our precious Lord Jesus. May we all continue being faithful to Him.

Jan was delighted to receive a good number of emails enquiring about her book, messages of those sharing how their hearts had been comforted by Jan's testimony, as well as 4 new ladies across Canada wanting to become Solo Gals for Garments for The Gospel. May God continue

Jan's New Watercolor

Ps. 86:11

"Teach me Your way, O Lord..."

'Lady Bird'-Blue /Gold McCaw

While recovering after day surgery & weeks of illness, I've been enjoying working with the wonderful aqua & phathol blues that describe this amazing creature in a new Watercolor. Hopefully it will be completed in the New Year ready for display for my speaking engagements. "Lady Bird" has such endearing characteristics & mischievous antics which are hinted at here in this piece. This is my working version of what will become available in 11" x 14" or larger formats, Lord willing.

December 2007 Headlines cont'd from Pg. 1

Brand New Artistic Opportunity:

In April, Tiffin's Creative Centre in Orillia approached Jan to see if she would be interested in turning her original Watercolors into Giclée Prints exclusively for their store to start. They also proposed creating a line of customized Greeting Cards using her paintings, as well as offering her art made into various gift items such as plaques and tiles. After a lot of prayer and research we are happy to share that Jan has teamed up with the Tiffin's on a trial basis for one year, by making a few of her more recent pieces available as Prints and gift items. As of Aug. 2007 the store completed the first 3 Watercolor Prints. Hopefully early in the new year, Jan will also be able to offer greeting cards and the gift items. Please pray that God will bless this new effort and opportunity to reach others for

A Personal Note from Jan....

Shortly after my Huntley Street date we received the unexpected and stressful news that led my Doctor to prepare the way for a number of biopsies for Cervical Cancer and day surgery on Sept. 25th-2007, as well as a Thyroid biopsy Nov. 13th, and for what may be a series of appointments with my Kidney Specialist to deal with a deteriorating valve implant, starting Jan. 14th, 2008.

It has been a long wait for delayed results. While recuperating and trying to conquer a new onset of kidney infections at times I felt like I was standing in front of a firing squad not knowing if their guns were loaded or not. But it was also at those times the Lord would bring Ps. 28:7 to my heart and comfort and peace would be restored as I meditated on these words... "The Lord is my strength and my shield. My heart trusts in Him and I am helped..." Thank you dear Lord.

Finally we got the report back with the words we longed to hear... "Benign!" Now we pray for the same concerning the Thyroid.

Thank you to those who encouraged and comforted us with your prayers, calls, food and cards. We can't thank you enough for such caring. The Lord bless you all. Both Ross and I are so thankful for this

"CHRISTMAS Thoughts" Devotional Cont'd from Pg 1.

It is our prayer that this year as we contemplate the birth of our Incarnate God, and celebrate all the blessings that have been bestowed upon us as a result of His coming to earth—may we also reflect upon His rule in our lives. Are we truly allowing Him to take complete control and actually live His life through us? Or, are there areas that still need to be surrendered to His rule? May the Lord truly have His rightful place in our lives today, and

In closing we would like to thank each of you who have shown interest in us and in this ministry. Your love, prayers and support have blessed us beyond measure.

We pray that the Lord will bless you this Christmas and that each of us may faithfully serve our Lord and King until we meet Him and rejoice in His presence for evermore. Praise be to our King!

Christmas Blessings to you all!

Rejoicing in Christ, Ross & Jan

Prayer Requests:

1. For Ross as he continues to prepare Bible & Radio messages & strength for a growing preaching schedule.
2. For each of our Advisory Council members for their families, work, Ministries, safety & good health.
3. Continued prayer for Jan's health until she can see the Kidney Specialist on Jan. 14, 2008. It is a long wait, but we hope for an early cancellation, if the Lord Wills, since Jan is still experiencing pain & discomfort. Jan will need renewed strength as she continues to fulfill her speaking engagements, keeps up with ministry duties at home & continues to develop the new Greeting Card line & possible gift items.
5. Our Computer completely died unexpectedly in the midst of busy sermon prep. Though much was backed up, the new computers are not compatible with our old one or our printer & so we pray for the ability to be able to keep pace with needed future upgrades, & the wisdom & great patience to learn a brand new system now as a result.

Praise Items: For God's peace and mercy granted us, & for all the care & support of many during Jan's day surgery, recuperation and Cancer scare. (She will see the Dr. again in Feb. 2008 & go from
