Looking to go fishing soon?

It's hard to believe that Summer is fast upon us and many of you will be turning your thoughts to enjoying the outdoors, relaxation, restful vacations, day trip excursions and perhaps even a little fishing are beginning to take shape as you plan your getaways. For Ross and I we too look forward to a few days away in a country setting thanks to dear friends. As we look back over the past 6 months we can only praise our precious Lord for all His watch-care over us as we have faced many new trials and health concerns. We have realized afresh the supportive prayers of the family of God. Thank you for all your many encouraging e-mails, phone calls, and cards filled with words of love. We know the Lord has been going before us every step of the way and has given us renewed strength for each day when strength seemed impossible. Ps. 28:7 "The Lord is my strength and my shield. My heart trusts in Him and I am helped..." continues

Garments For The Gospel. (GFTG) Report

Although Jan's appearance on 100 Huntley Street was a year ago now, yet even 8 months after that exciting event we were still seeing new opportunities for inspiring projects & ideas coming into focus. Indeed, a project we now call "Gospel Dollies" was a result of a Huntley Street viewer who generously arranged to send GFTG some of her Mother's well loved doll patterns for our needy children around the world. We decided that they would include the usual 'Gospel Garment Labels' with "Jesus Loves You" on each doll or cuddly bear.

They will become welcome additions to cheer the hearts of many lonely children who do not have a toy to call their own, as well as have a new garment to wear themselves. Of course, we can only send a few toys, but the Lord knows exactly which child is in need of such comfort at the time of our shipments. These dolls & bears will have to be limited to soft, stuffed, small to med. sizes to accommodate ease of packing & shipping.

If you, or someone you know, would like to join this sewing project, please contact Jan. Perhaps we could set a one-time goal that for every 3 summer outfits we complete for a child, we would also sew a doll. They will be like the bow on the package of God's gift of love that we send. Our next project will be shipped out to Uganda and/or possibly Indonesia in the coming year.

It would be such a help to us if you would choose to use these donated "Cabbage-Patch" styled, small Doll Patterns, as well as your own. We will be happy to mail them out to you.

to be a comfort. As I write, Jan has had her exploratory surgery to ascertain the condition of her failing kidney valve implant of some 36 years ago. We believe God has wonderfully intervened & the original diagnosis by the highly respected award winning Urologist over 10 yrs ago has been overturned by our new Dr. and his surgery reveals that the implant valve is actually working quite well and will not require attention! PTL! However, Jan has been living with a large kidney stone for many years and it's in the worst location & will therefore require specialized percutaneous surgery soon.

News: Excerpts BIBLE VOICE Newsletter

Now "for a number of years the Bible Voice Broadcasting Network, [& with whom Ross sends Bible messages over the air,] has been committed to standing with Bishop Grivas in Uganda. He is a gifted evangelist whose crusade work across East Africa has birthed over 100 churches. And his vision to provide Uganda's children with Christian education is yet another step in evangelism. Nakyessa's students receive the basics of Ugandan education PLUS Christian teaching with strong emphasis on prayer. Grivas is growing spiritual warriors. What a great plan for Uganda!" Our directors, Don & Marty McLaughlin have just completed another visit with Bishop Grivas and the work there, as well as to Indonesia & hopefully delivering a small shipment from our most recent GFTG project! Please keep praying-God is blessing.

Literary Work: Books & Letters

Books Sometimes when we least expect it, the Lord sends along special words of love & encouragement at just the right moment in our day. We received a precious e-mail from a dear lady and sister-in-the-Lord recently expressing how God had used Jan's book, *The Treasure of His Company* to bless her life. She writes, "I have been enjoying your book...since receiving it. I love the bits in your book about the cat Willie... It's interesting that you are so inspired by Amy Carmichael. Although I haven't read anything of hers directly, there is a quote of hers I've had up in my home and also shared with many: "It is a safe thing to trust Him to fulfill the desires that He creates." Isn't that encouraging? Many thanks again...I can tell it is a gift I will enjoy for many days to come...and one I can use to share with and witness to others..."

Another lady from Scotland, Ontario writes, "Thank you for the wonderful book "The Treasure of his Company". I love it. The illustrations are so beautiful... I would love to buy 6 books to give to my friends as gifts. I feel such an anointing when I read it."

Others have been sharing Jan's book with neighbours who are searching for God & needing comfort as they experience the many trials of this life. How we pray for each of them that God will be very real to these dear souls granting them His Peace & purpose.

Prayer Letters: Jan & I have also been much encouraged to hear from several that our Prayer Letters are blessing hearts as well. Others have written concerning the artwork that resulted while Jan was recuperating, included in our last prayer letter ... "What a beautiful expression of "blessings out of brokenness" (your stunning tropical bird)... and your thankful heart trumps every attempt of the evil one to squash you. May your speaking opportunities be platforms for those triumphs."

Jan & I give this bouquet of praise back to the Lord, for it is only as He has carried us through it all that we come through victorious. God is faithful and trustworthy even in the dark!

Report: Women In Touch-Lindsay Outreach Meeting

It was a privilege & a real joy to minister to 130 precious ladies gathered on May 20th in Lindsay, Ont. The setting was beautifully inviting, decorated with lovely floral arrangements & gauzy hanging garlands. The tables had an extra special touch of fresh sweetheart roses designed specifically to compliment my new display of Watercolors featuring Austin Tea Roses for the

Feature presentation & later my personal Testimony. Many ladies shared that their hearts had been encouraged & strengthened. God obviously undertook for me by keeping my voice all the way through. By the time the car was packed to leave the meeting, my voice was completely gone! It is taking many weeks to heal after my last surgery & was a real prayer concern. Thanks to all who were praying! Our heartfelt gratitude to Alma Kingyens & all her staff for all their labours for a wonderful evening of ministry. We give God all the praise and glory.

Devotional Moments:

Prayer Requests:

1. For Ross as he continues to prepare Bible & Radio messages, strength for a growing preaching schedule as well as his care & ministry of encouragement to many needy saints.

2. For each of our Advisory Council, for their families, work, Ministries, safety & good health, especially for Rev. Arnie Reimer as he recovers from a second triple bypass in 15 yrs.

3. Continued prayer for Jan's health & renewed strength as she continues to accept a limited number of speaking engagements, keep up with ministry duties at home & needed artwork pieces to be completed, as she awaits a specialized & delicate percutaneous surgery in Barrie to remove a large kidney stone. 1st appointment is June 2-08.

4. The great need to replace our aging vehicle with a suitable car as we continue in future ministry travels.

Praise Items:

We praise the Lord for coming to our rescue & helping us to finally get our computers up & running in good order. It has been a lengthy learning curve, but in spite of the many frustrations, the blessings have been many, including the ability to upgrade to a Vista compatible program that we use constantly in the office. This will save us years of work. PTL.

For God's peace and mercy granted to us, & for the good reports thus far concerning the cancer scares this winter. The Doctors will keep an eye on things and we are happy with that decision.
