As Christians we acknowledge that Jesus is the reason for the Christmas Season. However, as followers of Christ He is much more than the reason for a season—Jesus is our life!

In John 10:10 Jesus said, “..I have come that they may have life, and have it to the full.” In Vs. 28 Jesus said, “I give them eternal life, and they shall never perish.” And furthermore in John 11:25 Jesus declared, “I am the resurrection and the life.”

At Christmas we celebrate Christ's coming to earth as a baby in a manger, but as we know this baby, the very Son of God, became a man and then laid down His life for us at Calvary. The Christ of Calvary purchased us with His own blood so that we could experience new, abundant and eternal life through Him.

His life in us does not end with a passing season, but extends into the New Year and indeed until we are with our blessed Lord and Saviour Jesus Christ for all eternity. Christmas becomes a joyous Season when we remember Jesus is the reason for our celebration.

However, as we enter the New Year may that inner joy continue to be celebrated day by day since Christ has redeemed us and given us new life in Him. We pray that God's richest blessings may be upon each of you as together we celebrate Jesus—the giver of life!

**Devotional Quote:** “Who could be careless about sin with Calvary in view? It is not by looking at sin that we see it for what it is, but by looking at the love of God and His pure holiness. As we look at that we begin to understand something of...the nature of sin.”

### FHLM RADIO IN LIBERIA, AFRICA Via Galcom on Worship FM! PTL!

Follow up Story:

Jan's Ladies Devotional Programming on Air there also:

Ten years ago Brother Dorbor lost his sight and with it all his friends. He soon accepted his situation and learned all he could from whatever blind ministry was available in Liberia. The brutal Liberian wars of 1989-1996 & 1997-2003 added to his great pain. **Don McLaughlin, President of High**

**Adventure Gospel Comm. Ministries writes,** “His [Dorbor's] testimony shook me as he told of how he refused to let anything stop him...in fact he started the Hope in God Association for the Blind so he could reach out & help other less capable than himself. Now today 64 blind members meet together where they teach each other to read Braille Scriptures with the few resources that they possess. They only have a partial Bible. They provide basic lifestyle coping methods, but it is very difficult for the blind living in Liberia.

Don continues, “We were also moved to know they listen regularly to our Worship FM broadcasts when radio is available to them.” What a great blessing then for High Adventure to be able to provide each blind member with a Galcom solar powered fixed tuned radio!

When Ross & I visited Don & Marty in their home last May, Marty encouraged us with the report that Jan's new ladies devotional Bible radio programs & Ross's sermons will also be aired into Liberia so these dear blind brothers and sisters will be able to hear God's Word. We pray they will also be encouraged with Jan's real-life stories to strengthen and encourage their hearts and therefore grow their faith. What a privilege then to know our efforts in producing our new programs will have a great impact for the Lord via the air waves many, many miles across vast oceans. Please remember to pray for our blind listeners in Liberia as well as some 6,000 relocated souls living in the Refugee Camp. High Adventure is trusting the Lord to be able to send in more Galcom radios in the near future.

Ross is also on Haiti's ‘Source of Faith FM’ &/or ‘Saviour FM’ stations on Thursdays, airing since June 30th, 2011 via Bible Voice! What a privilege to minister to these precious hearts who have suffered such great disasters. Let's remember to pray for Haiti as they struggle to rebuild.

**NEW LISTENER REPORT:** God is using the radio ministry to bless & encourage hearts, including ours!

“Dear Sir, Hope you are healthy in the Lord. You have been a blessing every Sunday as I listen to you on Radio Sahara. Thanks for every word of wisdom that you teach through your program. Be blessed. Your Listener, John Onyango.” *Kericho, Kenya, Africa Aug 25-2011 PTL!*

A WARM WELCOME TO Doreen and Lois joining as OUR NEW SOLO GALS Chapter- Sewing in Burlington & for our New Distributor "Street Connection" out of Markham Missionary Church! We will try to highlight them in our next Newsletter!

**It was amazing how the Lord brought our paths together.** Carol & Denis, good friends living in Florida, helped us to connect with their old friends from Burlington, Ont. while we were both at Fair Havens and the rest is history! These dear ladies became a direct answer to our prayers and our urgent need for more sewers. At the very same time a wonderful supply of flannel fabrics arrived and became the starter for these new Burlington sewers! We had also received confirmation for the great need of new baby 34-36" square Receiving blankets for Bible Voice's new Hospital & new Moms in Uganda for their Feb. trip. Perfect timing! You can see details more on our Website.

**20 of 50 Bears With Heart on the way to Africa via Bible Voice team in Feb.2012**  
GFTG is Truly having Worldwide Impact!

**NEW URGENT NEED:** If you know of any missions, churches or those connected to reputable projects that could use our GFTG winter knitted items & new clothes please let us know. Our Manitoulin resources have a full cupboard at this time and so we really need a new resource to send our winter things. Please continue to remember this precious work in your prayers. God is using it in a wonderful way and we will look forward to sharing photos when we get them. Till then happy sewing! Thanks to everyone!

**PRAYER REQUESTS:**

1. For spiritual wisdom & strength as Ross prepares messages for the ministry schedule.
2. For Don & Marty (High Adventure Gospel Communications Ministries) as they plan a new mission's trip to Kenya & include a 1st time visit with Pastor Sylvester, for Feb. 2012 since it didn't work out for them last August. For the ability to deliver, on our behalf, about 40-50 GFTG 'Bears with Heart' to Pastor Sylvester, + a new supply of Luo Bibles for his new rural churches.
3. For both Ross & Jan as they continue to work on producing more Bible Radio Programs.
4. For a good response to Jan's new Greeting Card series, available on request.

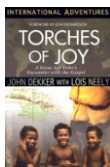

**PRAISE FOR:** 1. The safe arrival of the Galcom Radios in Kenya for Pastor Sylvester AND,

2. The successful repair of our 9 yr old Broadcast Studio machine which had stopped reading CDR's & needed a new burner to ensure the ability to continue broadcasting. The repair averted having to face the great expense of buying a new machine. **HOWEVER, 3 weeks later more repairs as the Hard Drive suddenly died as well. Please pray this studio will be quickly fixed, last & serve us well.**
3. Jan's new ladies devotional radio programs on air now, as well as Ross's full sermons airing on Internet.
4. For the new & exciting Radio Broadcast opportunities into Europe, Liberia, Kenya & Haiti on The Internet
5. For completing the 50 Bears on time & also for our new GFTG Chapter started in Burlington the end of June as a result of visiting our Website! Their enthusiasm is so encouraging to this work.
6. For the extra preaching dates that have come in so far for 2012.

**Jan's SUMMER READING & INSPIRATION** while convalescing from minor surgery:

I'm always looking for inspirational, quality reading material & I was blessed recently to acquire 3 old classic books (2 personal reviews of which are posted here) in time for our rest weeks at Fair Havens in June while I was recovering from surgery this past May. They were such a blessing to my heart & I pray to yours as well. Have a great read. Hats off to these brave servants of the Lord & all those like them! I'll try for Book 3 next Newsletter.

**Torches of Joy by John Dekker with Lois Neely-Foreword by Don Richardson.** A dynamic, hard-to-put-down account of what happens when a hidden warring Stone-Age cannibalistic Dani tribe- having no written language, using only stone tools, victims of ancient superstition--encounters the Gospel of Jesus Christ from 1960-1981 in Irian Jaya. The glorious transformation of this tribe is one of the most encouraging & inspiring stories of the Christian church in this century. (Lois Neely is a free-lance writer in Markham, Ont. Canada & is well known to Fair Havens Bible Conference, Beaverton, ON)

**This One Thing: The Ron Filby Story by James Ferguson, Africa Evangelical Fellowship. (Philippians 3:13,14)** A dynamic & inspiring story of a humble man & his wife giving their all to share the Gospel at any cost to reach isolated tribes hidden deep in the jungles of Angola. How the truth of God's Word & His faithfulness transformed them & filled their lives with peace, love & purpose. All that mattered to this dear couple was to live Christ before these people & win many to the Lord. God blessed all their efforts abundantly, keeping them safe from many dangers & won the love & respect of the tribes. I cried at the end of the book as this faithful servant struggled with Cancer & lost his leg at the hip, recovered enough to return to the mission station to hear the natives cry, "You must have loved us a lot to come back to us." It was a short stay, but a sweet & blessed time before he returned home & was promoted to glory. His legacy lives on in the hearts & ministries of these dear saints, "saved by faith in Christ!" What a challenge as we face a New Year to give our all to God!

*Our Heartfelt Thanks to you all. Have a blessed New Year! - Ross & Jan*

**Tidbits for the Artist Hearts out there: Happy Painting!!**

A "tidbit" is 'a choice or pleasing bit of anything.'

Last year I began researching a new product called FrogTape hoping to preserve a pristine border around my painting surface. The Green version is usually used for painting stripes and borders on walls & other items. I learned it's adhesive would be far too strong & probably mar my art paper. So I put the idea on the back burner. But last week I discovered they now have a "Delicate" Yellow version designed for wallpaper etc. It is just starting to come into Canada, but with some help from dear friends I was able to obtain a roll to test it out. It worked beautifully and gave that lovely crisp edged border I was looking to create! It uses a unique process of gel that forms when moistened by water or paint and blocks any seepage of paint onto the part you need to protect. So this may well be a great tool for your Art box too, as well as your home decorating! Let me know how it works for you. ☺
